ABOUT SCHOOL

DWPS, Parli Vajjnath is a 21st century school where everyone is inspired to learn. We strive to develop child's individual talent, creativity and communication skills which are essential for it's success in the future. Instilling ancient values, teaching essential Life skills and developing Right Habits enables the child to adopt a lifestyle that creates a balance among all dimensions of life and to attain complete wellness (body, mind and soul). All together, we act as the greatest unifying force in life and pillars of a strong foundation for responsible GLOBAL CITIZENS of tomorrow.

The Campus of DWPS, Parli Vajjnath is spread over an area of 10 acres sprawling lush green, beautifully landscaped, pollution free land with 75,000 sq.ft. built up area. The campus is insulated from the disturbance and noise of the city.

The School is affiliated to the Central Board of Secondary Education since 2018-19. We provide the residential hostel facility to the students. The Principal and all teachers have been provided with residential facility within the school campus. We focus on developing students in academic aspects as well as in co-curricular and extra-curricular activities. We develop the skills of the students for various competitive examinations and entrance tests for higher studies in engineering, medicine, law, accountancy, liberal arts, commerce etc. School keeps the tradition of giving 100% result in the Board Exams of Grade 10.

Overall, the school believes in innate potential of the students of the surrounding areas and help them grow as the self reliant, confident and responsible citizens of the 21st Century.

Our Vision

To provide high quality, all-round and comprehensive education that will build capacity of students to achieve excellence in every sphere of human endeavour. Our focus is on imparting knowledge, develop personality, foster self-discipline, improve emotional quotient and social consciousness. School advocates curriculum which develops critical thinking, positive attitude and decision-making abilities.

Our Mission

To create stress-free and enriching teaching-learning environment for learning so that every child can realise the inherent potential by:

1. Providing world-class school infrastructure with modern teaching - learning aids.
2. Providing young, talented and enthusiastic educators to stimulate learning in young minds.
3. Providing laboratories to experiment and learn in the field of Mathematics, Science and English.
4. Providing library with rich content of books in various fields of academics, history and biographies.
5. Carving globally awakened minds through inquiry-based pedagogy and collaborative learning.
6. Providing students with liberal and diverse environment that nurtures creativity.
7. Guiding them to become mature and self-reliant individuals whose strength lies in their ability to face adversities without fear and overcome challenges with confidence.
8. Nurturing solution oriented rather than problem-oriented thinkers who will face the challenges of life with exceptional grit and confidence.
9. Imbibing students with core values of integrity, perseverance, resilience, humility and national pride.

Implementation of New Education Policy 2020:

Delhi World Public School, ParliVaijnath is committed to implement the New Education Policy 2020 to prepare our students to face the challenges of globalized and competitive world by:

- 10. Inter-generational connect by working** in various houses and clubs – Eco Club, Maths Club, Science Club, Computer Club, Sports Club, Cultural Club etc.
- 11. Annual Tour** : A week long tour in particular State where students explore the delights of rich history, traditions, architecture and diversity, ensuring the unforgettable life long school memory.

HOSTEL FACILITY

Life @ Hostel

The institute provides magnificent residential facilities offering a comprehensive range of facilities within the institute, separately for boys and girls. We understand that most of our students are moving away from home for the first time, so we strive to make the transition as smooth as possible by providing comfortable, safe and homely set-up within the campus. All the rooms have been designed to provide adequate moving space and ample air and light.

1. Residential facility is permitted on annual basis for students admitted for regular programmes for the duration of regular academic year.
2. Residential facility will be provided till the end of the regular academic session including regular exams or 10 months from the start of session, whichever is earlier. Students can come and join two days prior to start of academic session and will be required to vacate Residential rooms within two days after regular exams.
3. Separate residential facility for boys and girls within the campus
4. Rooms with attached washroom, bed, table, chair and almirahs.
5. Mess facility with Veg meals.
6. Gymnasium
7. Events and Activities
8. Doctor on Call 24X7
9. Laundry Facility

To make the stay of the students a pleasant one they are constantly involved by organizing various celebrations, events and activities like cultural activities, sports, debates and declamations.

Various competitions are organized where students from different residential inns compete with each other. Apart from this, various clubs and forums work inside the residential facilities providing the students opportunities to develop certain skills in their fields of interest and inculcating in them a sense of regular practice and discipline.

Counselling

In addition, the residential facilities also have counsellors who are there to solve the problems of students in context of family issues, studies, home sickness etc. These counsellors are regarded as best friends by the students who provide ready tips on how to tackle these everyday stressful situations. Also for counseling and psychological support, the institute offers on campus Counselling and Psychological Support Services.

Hostel Food Facility :

1. The hours for class are from 8:15 a.m. to 2:30 p.m.
2. Students especially those who reside in the vicinity of the school, and are late for School Assembly, will be given two warning notice after which they are liable to be sent home by informing parents telephonically.
3. Students who are absent from school or is five minutes late on more than two occasions will not be admitted to class by the teachers in-charge without the prior permission of the Principal / School Co-ordinator and Discipline In-charge.
4. Students are not permitted to leave the school premises during school hours without the permission of the Principal.
5. The attendance will be taken at the beginning of the morning session and at the afternoon session. Those who are not present at the time or roll call will be marked absent.
6. Students should be punctual to school, any students failing to secure 80 percent attendance in an academic year will not be allowed to appear for the Final Examination. In the case of illness a doctor's certificate must be produced but for any other valid reason prior certificate must be sought from Principal only.

EXPECTATION OF DWPS FROM STUDENTS

1. **Accept Responsibility** for your appearance, work and conduct.
2. **Respect** the right of other students and teachers.
3. **Resolve** conflicts fairly and without using physical force.
4. **Approach** the necessary authority and **express** your grievances when you are victimized or treated unjustly by other students or teacher.
5. Be **Punctual** and **Submit work on time**. School work and homework has to be completed neatly in time and with the understanding of the subject. Seek help when you have a difficulty understanding the lesson.
6. **Participate** in the various activities of the school such as games, exhibitions, competitions with preparation and enthusiasm.
7. **Plan and Organise** your school bags properly according to the day's time table and complete all the missed work at the first opportunity.
8. **Be Polite** and use gentle words that express your anger and concerns. Think of how you would like to be treated and treat others similarly.
9. **Take good care** of the school's property. It is your school and the facilities are for your benefit.
10. **Refrain** from encouraging and supporting misbehavior as it is the same as misbehaving yourself.
11. **Converse in English** language as it is mandatory within the school campus.
12. Develop a **Positive Attitude** towards your peers, teachers, support staff and contribute to create a caring, safe & happy ethos in the school.

RECOMMENDATIONS TO PARENTS

1. The school expects the co-operation of the parents to ensure that:-

- a. The children come to school regularly, punctually and dressed neatly and correctly.
- b. The children bring to school their books and exercise book which should be properly maintained.
- c. The children do their home work regularly.
- d. The pupils do not go out for entertainment or parties during week days.
- e. Birthday invitations are not distributed during and after school hours in or around the school premises.
- f. Books are donated to the library in lieu of sweets. On the student birthday.
- g. The student's photographs may be printed in connection with the school related matters.
- h. They use social media responsibly and avoid discussing school related matters.

2. The school expects the co-operation of the parents to check that:-

- a. To see the notes, made by the teacher's in school diary and sign on daily basis.
- b. To make their own remarks in the school diary for the information of the teachers.
- c. To go through the books and answer papers of their children regularly and sign them.
3. When writing to the school regarding their children, parents should mention the name of the child, the standard and the division.
4. Parents and guardians are not allowed to see pupils or interview teachers during school hours. Please take prior appointment from the school office, if you wish to do so.
5. Parents should intimate the school of any change in address and telephone number through personal communication or drop message in whatsapp group. They can even mention same in the schools facebook page.
6. Parents must not send presents to teachers.

7. Parents should telephone the school between 9.00 am and 1.00 pm the school telephone no.7391 01 74 74. It would be appreciated if telephone calls are made very sparingly. Please ensure that you come personally to school and fetch your child. The school cannot take the risk of sending your child with any other person. At this time it becomes humanly impossible for our office staff to answer telephone calls from so many parents.

8. No article especially water bottles and tiffin boxes will be accepted at the gate. No enquires will be entertained.

9. Parents are requested to personally pick & drop their children punctually for all school events.

10. Parents are requested not to use their mobile phones and cameras within the school premises

LEAVE OF ABSENCE

Students should not be kept away from school except for illness. When a child is absent for one or two days, parents are required to intimate the class teacher through the school diary. No separate leave applications need to be made. An absence and leave record for the purpose is given in the diary.

Any absence in excess of two days should be supported by a medical certificate and a letter but an entry in the school diary mentioning the number of days the child is absent is also required.

Infectious diseases: A student, returning to school after suffering from an infectious or contagious disease, should produce a doctor's fitness certificate permitting her/him to attend school. Students suffering from the following diseases must observe the prescribed period of quarantine before returning to school. However, the exact period of quarantine will depend upon the severity of the infection which should be confirmed by a certified medical practitioner.

Chicken Pox	Till the scabs fall completely	Not more than 15 days
Cholera	Till the child has completely recovered	Not more than 15 days
Measles	Two weeks after the rash disappears	Not more than 15 days
Whooping Cough	Till the doctor certifies	Not more than 20 days
Hepatitis	Till the doctor certifies	Not more than 20 days
Swine Flu	Till the doctor certifies	Not more than 15 days

VERY IMPORTANT

Half day leave will not be granted for any reason whatsoever even during tests and exams. If a doctor's appointment is required to be taken on a week –day, the child will have to stay away from school the whole day.

THE BEGINNING AND END OF TERM

The dates of opening and closing of school must be strictly observed. Parents are especially asked to note that in the interest of their children and the discipline of the school it is absolutely imperative that they strictly abide by the opening and closing dates of the school. No child may leave the school before the beginning of a holiday (midterm break, Diwali, X'mas & summer vacation) and absolute punctuality is necessary on the reopening of the school. Students NOT present in school on the last day of school and the first day of reopening are liable to have their names struck off the roll.

EXAMINATIONS

1. There are periodic unit test and two terminal examinations including several units of study.
 2. Absence from one or more subjects involves the loss of grades for these subjects and excludes the pupil from prizes and awards.
- Pupils absent from an examination should not be expected to be re-examined.

PROMOTIONS

1. Promotions are decided on the pupil's progress throughout the year based on the periodic tests and the terminal examinations.
2. A pupil unable to cope up may be advised to opt for a change in curriculum.
3. Promotion from class IX will only be done on the basis of the cumulative achievement, level of the student throughout the year in the subjects he/she has been registered for. For promotion, a candidate is required to have obtained at least 35% marks in five subjects including English on the cumulative average and a minimum attendance of 75% of the working days.

WITHDRAWALS

1. When it is desired to withdraw a child during the course of the academic session, two months prior notice in writing has to be given. However fees for the entire term will be forfeited of withdrawal.

The security deposit paid at the time of admission may be claimed by the parents on withdrawal/transfer of the child from school. Parents stand to forfeit the amount if they do not claim the amount within a month of withdrawal of the child from school.

2. A school leaving certificate will be issued only after the school dues are paid.

3. The latest copy of the paid fee receipt should be attached to the withdrawal form.

ENTRANCE AND VEHICLE PARKING

Parents are requested for the safety of the children, not to bring their vehicles inside the main entrance.

Children who come to school by car/auto rickshaw/scooter should be dropped and picked up outside the main gates (Gate No 1 & 2)

It is further requested that:-

a. The vehicle should not be parked in front of the gate and right on the school road.

b. No vehicle should be left unattended. If it is necessary to park the vehicle unattended, please park it nearer to the school compound wall.

c. Nobody should bring his / her vehicle inside the campus in any condition.

d. Students of the junior college using a two wheeler must wear a helmet. Parents are requested to co-operate with the traffic warden, to ensure the smooth flow of traffic. Parents are requested to fetch their children in time.

HOMWORK POLICY

Homework is a constructive tool in the teaching/learning process, geared to the needs and abilities of students, for the reinforcement of matter learnt in school. It is also intended to help students develop independent study habits.

Children are expected to spend no more than 60 minutes doing their homework. The school tries to assign interesting homework based on matter that has been covered and distributes it uniformly among various subjects per week.

Students should:

- Ensure that they are prepared with whatever stationery supplies are needed for homework.
- Give their parents sufficient notice, if any extra material is needed for projects and other such home assignments, so that these can be acquired without inconvenience.
- Create, with the help of their parents, an appropriate environment at home for quiet study without disruption.
- Earmark a regular block of time for homework. If no homework is assigned they should maintain the routine, by reviewing class work or reading a book during the time assigned for homework.
- Ensure that their homework assignments are completed on time and that all supporting books and materials are carried back to school.
- Seek assistance from their parents only when specifically required, as per instructions from their teacher.
- Ask their parents, on a daily basis, to review their homework tasks, show them the completed work and ensure that they sign the almanac.

Seek their parents' help to list the things they did not understand, so that they can share these with their teacher at school the next day.

EXAMINATION and EVALUATION SYSTEM

Students from Std. I to XII will be assessed on the basis of the New System of Assessment Examination by CBSE.

STD. I to VIII

The session is divided into two terms, **Term-I** from June to October and **Term-II** from November to March.
